LICENSED TO WED—Robert H. Bedford, of Grass Valley, California, and Ida B. Cain, of Phoenix, were granted a marriage license yesterday.

NAVY LEAGUE DINNER—The Navy league will have a dinner next Tuesday night for a large number of men interested in adequate preparation for preserving peace. Colonel Joseph H. Pendleton, marine commander of San Diego, and Hon. Carl Hayden will be the speakers. Reservations should be sent at once to Theodore Saal or phoned to him.

REJECTED LEGAL AID—Prosecutors would rather take chances with the court than have a lawyer represent him when his trial comes up for horse stealing. The case was set for yesterday but owing to the absence of witnesses it was postponed. When arraigned recently Encinas stated he objected to counsel but Judge Stanford nevertheless appointed an attorney to defend him. Again yesterday he refused legal assistance.

DEATH OF J. E. HOPKINS—J. E. Hopkins, of Seneca, South Carolina, passed away this morning at his temporary home, 1154 E. Brill street, his wife being with him at the end. The remains are at Moore & McClellan undertaking parlors awaiting instruction from his folks in South Carolina. Deceased was a member in his home town of the Knights of Pythias, I. O. O. F. and W. O. W., who will have charge of the funeral. Mr. Hopkins came to Phoenix about five years ago for the benefit of his health, and was formerly employed as bookkeeper by the Taylor Auction house. He made a large circle of friends.

FAREWELL RECEPTION—A farewell reception will be given today (Thursday) at the W. C. T. U. building, 227 West Monroe street, to Mrs. N. J. Phillips and Mr. and Mrs. K. S. Townsend. Mr. Townsend is one of the charter members of the State Temperance Federation of Arizona, and Mrs. Townsend is one of the most loyal and valued members of Phoenix W. C. T. U. They leave in the near future for Canada where they expect to locate. Mrs. E. F. LaChance will preside. The devotional will be led by Mrs. Baycroft. Mrs. Collier, hostess. Mrs. Phillips, who leaves soon for California, beside being a W. C. T. U. member is also secretary of the Temperance Federation, and will give an address on existing conditions and enforcement of law throughout the state. Special music by Mrs. Rudolph. At close of program an informal reception will be held.

HERE FROM DENVER—Ben Ferguson, engineer of the corporation commission, who has been at Denver, Col., for several weeks past, gathering some data from the records of the Bell Telephone company, has returned to Phoenix.

BACK FROM CLIFTON—A. W. Moore, cashier at the Hotel Adams, is happy because he has been enabled to return to Phoenix after five weeks service with the National Guard at Clifton. He said he didn't object to being called out, but that life was beginning to grow monotonous at the camp with nothing doing other than some good hard drilling.

MAKER OF MOONSHINE—Louis Fausone, manufacturer of "Dago red," was sentenced in Judge Stanford's court yesterday to serve ten days in the county jail and pay a fine of \$150 or serve one hundred and fifty more days in jail. Fausone had a wine factory all his own until discovered by the county, and declared he only made the wine for his own use, not knowing it was against the law. He has already been in jail five days which will lessen by that much his time.

FIERY SODA POP—When Jesus Valencia drank the soda pop given him by a friend it produced the effect of such undue hilarity that it was instrumental in landing him in the justice court on a disturbing the peace charge. The soda pop upon analysis proved to be a mixture of wood alcohol and soda water which Judge De Souza states is the beverage responsible for the majority of cases of this kind. Valencia pleaded guilty. In telling the story he said that he had a wife and six children and not wanting to add to the wards of the county, Judge De Souza, suspended the sentence, upon good behavior of \$10 or ten days that he had imposed.

FRIDAY CLUB'S NIGHT—All in readiness for the Friday club entertainment tonight for the benefit of the Associated Charities. Mrs. Louis H. Chalmers, chairman of the entertainment committee, said last evening that while Phoenix had responded liberally there were still tickets on sale at the Owl Pharmacy for the affair, which will be given at the Woman's Club. The dance will be in charge of Lindley Calhoun Morton and Aaron Goldberg will call the dances. There will be lucky dances and other delightful features and the dance program will be presented by the Feigenbaum orchestra. Merchants have donated handsome prizes for the card game.

Rasmussen, Hereford, Ricketts, von Klein Smid and Dean Scarlett, together with Governor Hunt, yesterday made a tour of inspection of the state experimental farm near Tempe. In the afternoon the gentlemen went to Mesa and looked over the date farm south of that city.

AN OLD TIME WATCH—A gold watch of the repeating variety and over a hundred years old, was recently left with J. Grennan, the jeweler, by a friend who had repaired it. Thomas J. Sparks is the owner of the old timer. It was purchased in Germany in 1815 for the sum of \$500, and had kept good time up until a few years ago, and no repairman had been found who could put it in running order until it reached the hands of Mr. Grennan. Owing to the peculiar interior construction of the time piece, a great deal of skill was required to place it in running condition, and the bill for the work was \$15. The watch is said to now be in condition to keep time for a long time yet.
